Education

Networking

Learn more at www.pamic.org

INSURER MEMBERS

New members eligible for a 2-year discount.

Regular Members

A mutual insurance company or a stock insurance company that is a subsidiary of a mutual holding company.

General Members

An insurance company that does not meet the qualifications as a Regular Member. Typically this category includes Stock Insurance Companies, Reciprocal Exchanges, Captive Insurers, Risk Retention Groups, among others.

Advocacy

PAMIC is the mutual insurance industry's most loyal advocate before the Pennsylvania state government and the region's consumers, and the most reliable, timely source of information on regulatory or legislative issues affecting the industry.

The PAMIC PAC offers events for members to attend so that their voices are heard before their legislators. PAMIC PAC events include Mutual Insurance Day, which gathers companies in Harrisburg, PA for visits at the Capitol with their legislator. As well as PAMIC PAC Breakfasts, which are hosted in conjunction with one of our educational events. These PAMIC PAC Breakfasts invite a legislator to come and speak to interested PAMIC members. These breakfasts are open forums where legislators will take questions from the audience.

Advocacy Benefits include:

- PAMIC PAC
- Compliance Assistance
- Regulatory Support
- Legislative Support

Education

Throughout the year, PAMIC hosts an impressive schedule of educational events. Our speakers cover emerging issues that pertain to professionals across the insurance industry. The goal of these training programs is to assist companies in addressing the needs of their employees and policyholders.

Educational Benefits include:

- Biweekly 360 newsletters
- CE, CLE and CPE Credits for Educational Events
- Access to PAMIC Pulse Publication
- PAMIC Institutes
- Quarterly Pulse
- Monthly Webinars (CE included)

Annual Educational Seminars include:

- Financial Management Seminar
- Insurance Technology Trends Seminar
- Eastern & Western Insurance Group Meetings
- Underwriting & Loss Prevention Workshop
- Mutual Insurance Day
- Annual Spring Conference
- Claims Summit
- Human Resources Symposium
- Congressional Contact Program
- Executive Roundtable
- Mid-Atlantic Mutual Advantage Convention

Networking

PAMIC facilitates networking events between members, marketplace providers, and employees to strengthen the mutual insurance industry and provide awareness of issues and resources. Many of our events host a separate networking event before the education seminar. Networking is a large part of the mission of PAMIC. We provide our members with networking opportunities at each of our seminars and workshops throughout the year.

PAMIC also offers networking opportunities through committee memberships. Committee members are tasked with the planning of our educational seminars. Committees bring together 10–15 members each representing different companies.

Additionally, members are encouraged to produce articles for any of our publications. Our magazine the PAMIC *Pulse* is shared with our entire membership and published in hard copy four times a year.

Networking Opportunities include:

- Committee Membership
- Speak or Present at Educational Events or Webinars
- Become an Author in the PAMIC *Pulse* and *360*
- Sponsor an Educational Event or Webinar
- Exhibit at varied Events
- Advertising in the *Pulse* (hardcopy and digital versions)
